

## COLONIAL CLUB TO NAME DIRECTORS

They In Turn Will Select Officers For Ensuing Year.

Ten directors, who are to constitute the executive board of the Colonial Country club for the ensuing year, are to be elected at the annual meeting of the club's membership Wednesday night at 8 o'clock, sixth floor of the Chamber of Commerce. The new directors will elect officers from among the board's personnel.

In issuing the call for the annual session Percy Clarke, secretary, urged the entire membership to be present.

"We feel," said Mr. Clarke, "that despite the reverses the club met through fire a year ago the club is in such promising condition financially the membership should be given first-hand information regarding the splendid progress the club has made in the last few months."

The assessment levied on the membership for creating funds incident to rebuilding on a larger and better scale was met so promptly and generally that the only bonds outstanding against the club is the original \$50,000 due in 1924, officers say.

Work on the new clubhouse is progressing rapidly. The foundation and sidewalks are in and all the masonry necessary for completing the "roughing in" is on the ground. With fair weather it will be ready for occupancy 60 days ahead of schedule, or about Feb. 1. The house equipment includes a modern overhead fire sprinkler system. When complete, the structure will have cost approximately \$150,000.

The membership, which is limited to 400, is practically filled, officers say.

## PRINTERS INVITED TO BANQUET HERE

Every printer in Memphis and the surrounding territory has been invited to attend the banquet to be given Tuesday evening at 8:30 o'clock at the Hotel Chisca by the Taylor Paper company, in honor of the S. D. Warren Paper company, a nationally known concern. Jesse M. Clark and W. D. Rogers will represent the Warren Paper company at the banquet. Alfred D. Taylor will preside.

Eighteen salesmen, who are directly connected with the special Warren paper sales force and employees of the local company, will also be present. Moving pictures, depicting the manufacture of Warren paper will be shown during the course of the evening.

## COUNCIL MASONS TO ENTERTAIN OFFICERS

Class of 40 To Take Degrees At Wednesday Meeting.

With a class of more than 40 to take the degrees, Eureka council, No. 6, Royal and Select Masters, will close its fiscal year with a banquet at the Masonic temple Wednesday at 6:15 o'clock, at which several of the grand officers of the state will be special guests.

Never in the history of this branch of York Rite Masonry, especially in Tennessee, has a record the extent of the extent reached by the local council been hung up, for more than 140 new council Masons will have been made, 21 more than was taken in by the entire state last year, according to reports of officers. Robert W. Parham, of Memphis, grand conductor, has himself conferred the select degree on more than 300 since becoming an officer in the council, which embraces two of the prettiest degrees in Masonry.

At the banquet Wednesday, which is to be followed by degree work, the following grand officers will participate: John G. Hendon, of Somerville, grand captain of guard; C. H. Smart, of Nashville, grand recorder; L. B. Handy, Memphis, grand master, and Robert W. Parham, Memphis, grand conductor.

Elaborate plans have been made for this affair and judging from the replies received by the banquet committee the council's fiscal year will close with a record attendance.
